POLICY STATEMENT ON OFFICIAL'S STANDARD UNIFORM

Often at this time of the year college officials are asked to support various charitable causes by making changes to the approved uniform. These requests usually entail officials being asked to wear colored uniform items, such as whistles, beanbags, flags, hats, wristbands, lanyards, etc., etc. While these causes are highly worthy, officials must find ways to support them other than by granting these requests for non-standard uniform items.

Please be reminded that all NCAA football officials must wear the standard uniform with no variation of colors. There will be no exceptions.
