

## **COLLEGE FOOTBALL OFFICIATING, LLC**

**Update on:**

**National Referee Clinic**

**National Instant Replay Clinic**

**For all Referees, Instant Replay Officials, Communicators and Coordinators of Officials:**

Based on the NCAA's work consulting with public health officials and their own COVID-19 advisory panel, who are leading experts in epidemiology and public health, it has become evident that large gatherings are not advised. Therefore, as of today both the National Referee Clinic and the National Instant Replay Clinic have been canceled.

Working with your Coordinators, we will begin immediately developing a plan to ensure that we are fully ready to go when our season starts. More details will be forthcoming but for now, stay safe and healthy as you continue preparations for the 2020 Football season.
