### The 2021 Shaw / Blandino Weekly Quiz

#### Week 7

This quiz is being provided on a weekly basis to promote robust crew discussions and further individual rules study. It is in no way intended to be official play interpretations, as those are contained within Part II of the 2021 NCAA Football Rules and are updated by official CFO Play Interpretation Bulletins when released during the season. These quizzes will be released on Thursday of each game week, with answers being provided on the following Monday.

The first eight questions are focused around on-field rulings, and the final two questions are focused on Instant Replay. All officials should be familiar with and work both sets of questions.

Answer each on-field question by giving **THESE FOUR ITEMS** of information for the **next time the ball is to be put in play**:

**Team in possession**

**Down and distance (or Free Kick or Try)**

**Yard line of succeeding spot**

**Game clock status (Ready/ Snap / Running / FK Rules / No Clock / 10-Second Runoff)**

For Replay Questions, complete the answer with the **outcome** and any **replay reasoning**.
